This exclusive event offers you a first look before we open the doors to the general public.

We'll meet at the Community Centre, where you can view the floorplans, chat with our team, and then tour the apartment in small groups.

As we anticipate a high level of interest and limited access due to construction site safety, we kindly ask that you RSVP with your preferred day of attendance. This will help us ensure a safe and smooth experience for everyone. Please call me on 3139 8213.
