### Event Overview

Come along to our Open Home on the 12th October - we look forward to seeing you there.

At Park Lane Living Bendigo, we currently have quality new homes available from as low as \$320k and off-the-plan homes from as little as \$295k.

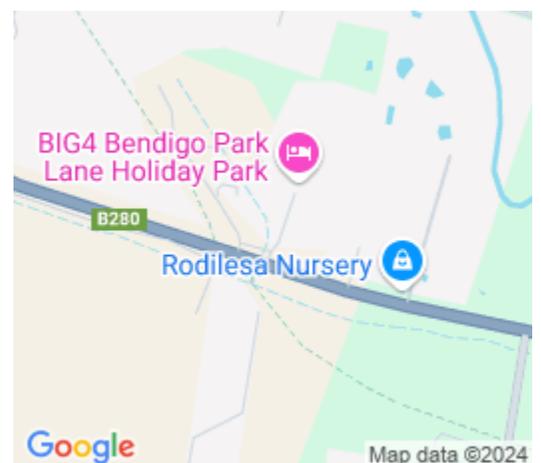

These prices, alongside our quality, are incomparable to anywhere else and with our no exit or deferred management fee policy, this is a rare opportunity indeed!

You will have the chance to meet our delightful consultant Donna, receive a tour of our fantastic facilities and learn more about what it means to live within a Park Lane Living community.
