Event Overview

Research has shown that people who live in retirement communities, such as Beauty Point Resort, tend to stay healthier longer, enjoy more of life and feel less loneliness than those who remain in the family home.

We wanted to create, for you, an easy and fun way to find out what life in a retirement community is really like. The new Beauty Point Resort Passport will help you do just that.

Available now and for use through October and November, the Passport is filled with some fun activities and events that you can come along to the village and take part in, with no obligation. There's even a complimentary coffee on offer in Riverhigh Cafe Bar Restaurant.

If you complete all the activities, and have all your stamps validated, then you can return the passport to us to receive a
