### Event Overview

Wine and Cheese at Drummond Place Retirement Community, Carlton

The best in cosmopolitan retirement living in Carlton is right here at Drummond Place.

Penthouse 805, designed by internationally acclaimed architects Fender Katsalidis, offers space and luxury. With refined finishes and premium appliances, this is the comfort you deserve in retirement. A large private balcony for an outdoor barbeque further compliments the 149 square metres of internal living space.

Perfectly balancing a sense of community with personal privacy, Drummond Place offers quality retirement living and stunning shared spaces. An array of premium amenities like a rooftop terrace for outdoor entertaining, gym, private cinema and the Garden Room, are all available for you to enjoy.
